

The Richland Area Farmers Market welcomes all local growers of farm, garden and orchard produce, and crafters.

Our mission is **TO BRING FARMERS, ARTISTS AND CONSUMERS TOGETHER TO MARKET LOCALLY PRODUCED AGRICULTURAL PRODUCTS AND QUALITY MADE CRAFTS.**

We do this through the application of our values:

COURTESY
HONESTY
QUALITY

Market fees are for each stall. One group or farm per stall. The season fee is \$60. per stall for Saturdays.

We also offer the option of doing a segment season for \$40. Segment 1 would be from April 28 -- July 14. The Segment 2 would be from July 21 -- October 13.

A vendor may set up to three times at a daily rate of \$10. After that they will be charged the season or segment fee. Daily fees will be applied to the season fee. However, aside from this situation, there will be no daily rates, only season rates.

Vendors will not be allowed to set up until all fees are paid. **NO EXCEPTIONS. Please make checks payable to Richland Area Farmers Market** when returning the attached

application or you can pay the fees to the Market Manager when you first attend the market.

- Season vendors will be listed on our website, have their products mentioned in our ads and all other advantages of the advertising.
- Each vendor must provide containers and standard method of measurement used in determining price.
- It is recommended that vendors provide sun shade to keep products at peak. Vendors may use tailgates on station wagons, pick-up trucks, or tables.
- All items are to be homegrown or self made. Items purchased and being resold, must be labeled as such and approved by manager. Farm inspections are a possibility.
- All items to be sold at the Richland Area Farmer's Market will be sold by legal weight or measure in Wisconsin. Any scales being used and items sold will be subject to the Wisconsin Department of Agriculture's Inspection.
- It will be the responsibility of the vendor to provide a high quality product and full measure. Low grade produce will harm future sales and lower prices. The Market manager and/or committees may ask the vendors of known inferior merchandise to leave the market.
- It will be the responsibility of the vendor to include proper labeling, weights, measures and proof of licenses where needed for each item sold.
- Vendors may arrive early to set-up. You may claim your spot prior to 7 am on Saturday. However selling of products may not begin until 7 am. This will be enforced.

- There are no reserved stalls. The first arriving vendor takes the first stall and each is filled in by the next arrival.
- Vendors must keep the area clean of all types of refuse and clean up after each day's sales.
- The Richland Area Farmers' Market will not be responsible for any produce sold or for any accident that may occur. Check your insurance policies.
- Please encourage customers to park in the courthouse parking lot.
- The Market manager's decision is final.
