- It is recommended that vendors provide sun shade to keep products at peak. Vendors may use tailgates on vans, trucks, or tables.
- Items sold must fit within a 10 x 10 space. Otherwise, request a second space.
- It will be the responsibility of the vendor to provide a high quality product and full measure. Low grade produce will harm future sales and lower prices. The Market Coordinator and/or committees may ask the vendors of known inferior merchandise to leave the market.
- RAFM Vendors compete on the basis of quality of product and customer service. Undercutting of prices will not be permitted.
- All items to be sold at the Richland Area Farmer's Market will be sold by legal weight or measure in Wisconsin. Any scales being used and items sold will be subject to the Wisconsin Department of Agriculture's Inspection.
- It will be the responsibility of the vendor to include proper labeling, weights, measures and proof of licenses where needed for each item sold.
- Vendors may arrive early to set up. You may claim your spot prior to 7A.M. on Saturdays.
- The first arriving vendor takes the first space and each is filled in by the next arrival.
