MARKET RULES

- All items are to be homegrown, and grown by the vendor listed on your application, in other words, YOU. Vendors may not buy and resell items. Items sold in partnership must list all partners on application.
- It is recommended that vendors provide sun shade to keep products at peak. Vendors may use tailgates on vans, trucks, or tables.
- Items sold must fit within a 10 x 10 space. Otherwise, please request to rent a second space.
- It will be the responsibility of the vendor to provide a high quality product. Low grade produce will harm future sales and lower prices.
- RAFM Vendors compete on the basis of quality of product and customer service. *Undercutting of prices will not be permitted.*
- It will be the responsibility of the vendor to include proper labeling, weights, measures and proof of licenses where needed for each item sold. Please ask to be shown sample labeling.
- Vendors may arrive no earlier than 12:30pm on Wednesdays to claim their spot. Vendors may not reserve their space. *Vendors may not sell products before market opening time.*
- Vendors must keep the area clean of all types of refuse and clean up after each day's sales.
- No smoking in vendor designated area.
- Dogs and other pets are not allowed *anywhere within* vendor designated areas.
- No soliciting permitted.
- The *Richland Area Farmers' Market* will not be responsible for any product sold or for any accident that may occur on the Market premises. It is recommended that vendors have individual liability coverage.
- The Market Manager's decision is final.

Boomerang Bags

This is a new program helping to reduce the use of plastic shopping bags. Originating in Australia in 2013, the program uses new or second-hand fabric to sew bags for market shopping. While you can use the bag anywhere, you receive a Boomerang Bonus Coupon to spend at the market each week that you remember to bring your bag back to the Information Table.
